## ABOUT THE COASTIES MAG

Our magazine is a local monthly publication produced for and by locals with a focus on providing relevant, useful and entertaining information to the Hibiscus Coast community. Printed in full colour, its A4 format provides scope for a range of editorial and advertising options. We distribute 10,000+ copies to homes, businesses and magazine stands each issue throughout Millwater, Orewa, Milldale, Silverdale and Totara Views, and we also have a mag rack at New World Whangaparaoa.

## OUR MISSION

We are dedicated to helping local businesses and organisations stand out, thrive and connect with their ideal audience. Through engaging content, creative storytelling and a strong community focus, we provide a platform that amplifies local voices and drives meaningful growth. Our mission is to celebrate and support the businesses and organisations that make our region unique, ensuring they get the recognition they deserve.

## EDITORIAL

The editorial content in The Coasties Mag has a reputation for being informative and entertaining, adding to the rich fabric of the magazine and ensuring we maintain a loyal and diverse readership base. We welcome editorial content from community groups, local clubs, individuals and businesses. Priority for editorial space is given to businesses and organisations who advertise with us and community groups and local clubs.

The space allows for 350-400 words with one or two quality colour images where possible. Some flexibility is available, so if you have something special in mind please let us know and we will do our best to accommodate. The editor retains the right to refuse any editorial content they deem to be not suitable or not relevant.

## ADVERTISING

With the specific intention of keeping the magazine relevant for locals we have set advertising rates at a level that should be attractive to all types of business. With a range of advert sizes and packages available there is something to suit any budget.

## DEADLINES

The deadline for editorial and advertising content is the 15<sup>th</sup> of the month prior to the issue of intended publication. For example, content for the May issue should be submitted to us by 15 April.
